

Non-Conformities FCC ID: USQ3738 (CKC CS Ref # E07-000051-01)

The items listed below represent requests for information following review of this application for certification under United States (FCC) regulations. . Further question may arise pending review of responses to these items.

1 The functional description provided includes a list of changes for the PCII which must be held in the cover letters section available for public inspection. The remainder of the document appears to contain items which have been requested to be held confidential. Please clarify how the document is to be treated. If confidentiality is requested, please submit documents with confidential and non-confidential information separated.

Response: The functional description has been split into two documents, one to be kept confidential, and one not. They have been uploaded.

Non-Conformities IC: 6856A-3738 (CKC CS Ref # E07-000051-IC-01)

The items listed below represent requests for information following review of this application for certification under Industry Canada regulations. . Further question may arise pending review of responses to these items.

1 Test report cover sheet indicates compliance to RSS 210 issue 6. Industry Canada now requires compliance with RSS-210, Issue 7. Please confirm whether issue 7 was used for assessment to the requirements.

Response: A new test report for RSS 210 Issue 7 has been uploaded.
